Assessment Form

Assessment Details

Welcome to the Assessment Form.

The Students' Association, Wilson Commons Student Activities, the Interfaith Chapel, the Rochester Center for Community Leadership, and Athletics and Recreation Club Sports aim to support an organizational system that allows students to pursue their interests in ways that promote community on the River Campus.

The Assessment Form serves to encourage student organizations to reflect honestly on their programs, physical contributions, community service, publications, initiatives, services, and providing entertainment. These Community Contributions are one of the principles to being a student organization. A thorough Assessment Form can provide invaluable direction and insight to future leadership of your organization.

The Assessment Forms are reviewed by the SA, WCSA, Interfaith Chapel, RCCL, and Club Sports in conjunction with the Student Organization Annual Review (SOAR), collected every February, to better advocate for and serve SA organizations.

Any feedback you give to service providers (i.e. Public Safety, Facilities, etc.) will go directly to those offices.

- **Note:** Once approved you, the submitter, must upload the Assessment Form to your organization's document tab. The Assessment Form does not automatically link to your student organization.
