

# Diversity Talk

Sponsored by the Post-baccalaureate Research Education Program (URMC-PREP) with the collaboration of ADSE

**Kishana Taylor, M.S., PhD**

Co-Founder and President of the Black Microbiologists Association

**HOST: Jacques Robert, Ph.D. and Elaine Smolock Ph.D.**

## **Ms. Frizzle Taught Me: My journey through STEM as a Black Woman**

How did a black girl from NY suburbs find her way in STEM, Higher Education and Life to become a virologist and co-founder of a nonprofit for black microbiologist? By taking chances, making mistakes, and getting messy. Walk with me through my sometime dark and twisty path from young dolphin enthusiast to adult virologist and equity advocate!

**Tuesday, June 6, 2023  
11:00 AM  
Upper Auditorium (3-7619)**

To be in compliance with the Americans with Disabilities Act, the School of Medicine and Dentistry is committed to making reasonable accommodations to assist students with documented disabilities to fulfill their educational objectives. If you are in need of specific accommodations, please contact [GradAccessServices@urmc.rochester.edu](mailto:GradAccessServices@urmc.rochester.edu) at least 3 days in advance of the seminar date you will be need accommodations for.
