- Creating an Inclusive Community

★ You can request any session for your organization (10 people required). Search for "Request a Workshop" form on Medallion Program CCC page.

One option for fulfilling Level 3 is to complete a specialized project that focuses on leadership in a particular area. This project can be created within a student employment area. You should contact Stacey Fisher (Stacey.fisher@rochester.edu) to discuss the idea for your potential project. Possible projects include:

- Creating the curriculum for a Medallion Workshop specifically focuses on an aspect of student employment area
- Developing academic resources to support students career competences
- Address a major issue affecting student employment on campus or at the national level

Medallion Leadership Society

A group of students dedicated to leadership. The society educates their peers to realize their leadership potential and become engaged members of the campus and surrounding communities, in an effort to achieve positive social change. Members in the society will participate in committees, have opportunities to meet with deans, and plan leadership programs for the Office of the Dean of Students (ODOS).
